

# WE REDEEM THE TIME

1 We have the mind of Christ and the wisdom of God.

2 Every thought, phone call, and appointment is productive.

3 We are led by the Holy Spirit and therefore we make the right decisions quickly and do not have to reconsider.

4 Father, I thank You that we are caught up with our responsibilities and we are not dismayed, overwhelmed, or stressed out because of them.

5 Lord, we take all the pressure in our lives and we put it on our covenant with You.

6 We humble ourselves before You, that You may exalt us in due season. We cast our care on You because You care for us.

7 We acknowledge You in **all** our ways and therefore You cause us to succeed in all we put our hearts, minds and hands to.

8 Father, we praise You that our peace is great and our joy is complete today, in Jesus' name.
